

# Municipal Engagement Session

Working together to strengthen Planning  
& Regulation services

## You're invited!

The Rideau Valley Conservation Authority is hosting an information session about our planning and regulation services. Over the past two years, legislative changes have changed the nature and scope of both our planning work with municipalities and how we apply regulations under the *Conservation Authorities Act*.

Please join RVCA staff and municipal colleagues from the Townships of Athens, Augusta, Elizabethtown-Kitley, North Grenville, Merrickville-Wolford, Rideau Lakes and the Village of Westport, as well as our hosts from the United Counties of Leeds and Grenville, to learn about these changes and discuss the challenges and opportunities they present.

**Date:** April 16, 2025

**Location:** United Counties  
of Leeds and Grenville Office,  
25 Central Ave, Brockville, ON  
Suite 100, Boardroom A

**Time:** 9:30 a.m. – 12:00 p.m.

Please RSVP to

## Key Topics for Discussion:

- Changes to the scope of CA plan review and its impact on municipal planners
- Changes to what CAs can regulate under the *Conservation Authorities Act* and its impact on the work of municipalities
- How CAs and municipalities can strengthen collaboration and cooperation
- How CAs and municipalities can further streamline and integrate business processes
- How CAs can continue to improve their planning and regulations services
