OMAA Long Service Recognition Award

To Clerk and Council:

At its recent Spring Workshop in Muskoka Lakes, I had the distinct pleasure of being able to present Darlene Plumley with an OMAA Long Service Recognition Award. This award recognizes Darlene's thirty years of service and is an acknowledgement of her hard work and dedication to the proud profession of an Ontario CAO.

The OMAA long service awards are unique because the criteria are very specific and requires service in the position of the CAO or the many other titles for "head administrator" of a municipality

On behalf of the OMAA Board of Directors and your colleagues in OMAA, let me extend our congratulations.

Sincerely,

Michael DiLullo
OMAA Chair
